## **Container Trucking Regulation Rate Amendment New Delta rate to include Boundary Bay Industrial Park**

Effective July 19, 2016, the Container Trucking Regulation has been amended. Delta North has been removed from Schedule 1/Table 1 of the Container Trucking Regulation (Off-Dock Trip Rates - Independent Operators) and replaced with Delta. The geographic description of Delta is the City of Delta to be read as the Corporation of Delta. Delta North has also been removed from the Schedule 2 (On-Dock Trip Rates – Independent Operators) table and replaced with the City of Delta to be read as the Corporation of Delta.

The rates for Delta in Schedules 1 and 2 are the same as the previous Delta North rates and should now be applied to moves with an origin or destination in the Corporation of Delta, including moves to and from the Boundary Bay Industrial Park.

In addition, Schedule 1/Table 2 has been amended as follows in order to address rate inconsistencies in the off-dock trip rates table:

- The trip rate from Cloverdale to the City of Langley is \$100.00
- The trip rate from Fort Langley/Aldergrove to the City of Langley is \$110.00

A link to the amended Regulations will be placed on the Office of the BC Container Trucking Commissioner's website once the regulation amendment is posted by government.

Sincerely,

**OFFICE OF THE BC CONTAINER TRUCKING COMMISSIONER**

Michael Crawford  
Deputy Commissioner
