OBCCTC Commissioner Update

This Bulletin is notice to all stakeholders that Michael Crawford has been appointed Container Trucking Commissioner, for a three year period.

I would like to take this opportunity to recognize the contribution of Commissioner MacPhail in the work of the Office of the BC Container Trucking Commissioner. Commissioner MacPhail set important precedent and provided key direction for the industry during his tenure and I intend to undertake my statutory decision making responsibilities in a similar manner. I will continue focusing on enforcing compliance within the industry and the development of policy which advances its fair and efficient operation.

OBCCTC communication practices, including holding Industry Advisory Committee meetings and maintaining an updated OBCCTC website, will continue. I expect to enhance the OBCCTC's communications with owner-operators in the coming year.

I thank all stakeholders for their ongoing support and look forward to continued collaboration as the operations of the Lower Mainland drayage sector progress.

Sincerely,

OFFICE OF THE BC CONTAINER TRUCKING COMMISSIONER

Michael Crawford
Commissioner
