Supplemental Consultation Packaged Issued

On November 12, 2019, the Office of the BC Container Trucking Commissioner (“OBCCTC”) released a CTS Licence Reform package for consultation. Since then, the OBCCTC has been holding stakeholder consultations with licensees, drivers and industry participants.

In response to issues and questions arising from these consultations, the OBCCTC has prepared a supplemental consultation document for stakeholder discussion and comment. The supplemental document is posted on the OBCCTC website: www.obcctc.ca

The supplemental document should be reviewed in conjunction with the initial consultation document released in November 2019.

The comment period for all proposed amendments to the Licence and Tag Management Policy remains open until the end of the day on February 28, 2020. Submissions can be sent to the OBCCTC at the following email address: registrar@obcctc.ca.

Submissions will be posted on the OBCCTC website.

Sincerely,

OFFICE OF THE BC CONTAINER TRUCKING COMMISSIONER
