## **Third Party Review of Truck Tag Management System**

The Office of the BC Container Trucking Commissioner (OBCCTC) is issuing a Request for Proposals seeking the consulting services of an independent, third-party transportation specialist who has the knowledge and skills to assess and make recommendations on the performance of the Lower Mainland drayage industry with particular focus on the development and operation of a Truck Tag system.

The recommendations arising from this study will be considered in conjunction with the input received from OBCCTC stakeholders as part of its Truck Tag System Consultation.

Sincerely,

**OFFICE OF THE BC CONTAINER TRUCKING COMMISSIONER**

Michael Crawford  
Deputy Commissioner
