Expansion of Audit Services

The Office of the BC Container Trucking Commissioner (OBCCTC) wishes to advise its stakeholders of an upcoming expansion of its auditing resources.

As part of a pilot project with the BC Ministry of Finance, the OBCCTC has begun training Ministry of Finance auditors who will be auditing Container Trucking Services (CTS) Licence holders to ensure compliance with the *Container Trucking Act*, Regulation and CTS Licence.

To date, 61 audits have been completed or are underway resulting in \$1.7 million returned to container truckers. The expansion of the OBCCTC's audit program will greatly assist in the completion of licence holder audits while enhancing the OBCCTC's ongoing program of complaint driven audits and investigations.

Sincerely,

OFFICE OF THE BC CONTAINER TRUCKING COMMISSIONER

Commissioner
