## **Vacant I/O Truck Tags**

The Office of the BC Container Trucking Commissioner (“OBCCTC”) is implementing the following to assist in maintaining a sufficient amount of vacant Independent Operator (“I/O”) truck tags and facilitate I/O movement. Effective immediately, when an I/O sponsorship is terminated, the vacant truck tag associated with that sponsorship must be filled by another I/O on the OBCCTC I/O List.

Stakeholders are reminded that under the OBCCTC’s Truck Tag Policy, licenced companies may still apply for additional company truck and I/O truck tags.

Sincerely,

**OFFICE OF THE BC CONTAINER TRUCKING COMMISSIONER**

Michael Crawford  
Commissioner
