## Government of British Columbia Rate Announcement

This Bulletin is a notice to all Office of the BC Container Trucking Commissioner stakeholders of an announcement made by the Government of British Columbia.

Effective **June 1, 2018**, regulated trip rates and hourly wages under the *Container Trucking Regulation* will be raised by 2.6% and the minimum daily call out rate will be raised to \$300 from \$200.

In addition, the BC Minister of Transportation has directed the Container Trucking Commissioner to consult with industry on the sector's regulated rate structure, including looking at payments on a "round trip" basis and the regulation of "off-dock" trips, and deliver final recommendations to the Minister in the fall of 2018.

I will be providing more information regarding the upcoming review of the *Container Trucking Act* and *Regulation* at a later date.

If you have any questions, please do not hesitate to contact the OBCCTC.

Sincerely,

**OFFICE OF THE BC CONTAINER TRUCKING COMMISSIONER**

Michael Crawford  
Commissioner
