RE: Cancellation of Licence No. 60084

On October 16, 2019, Pro Line Trucking Corp. (Pro Line) was provided notice of the Commissioner's proposal to cancel Pro Line's CTS Licence No. 60084 following advice from the Vancouver Fraser Port Authority (VFPA) that Pro Line's Access Agreement 60084(2016) ("Access Agreement") had been cancelled. Pro Line was advised that it had 7 days from receipt of the notice to provide the Commissioner with a written response setting out why the proposed penalty should not be imposed.

Pro Line provided a written response requesting reinstatement of its CTS Licence on the basis that the cancellation of its Access Agreement occurred following an administrative oversight on the part of Pro Line which resulted in a failure to meet its Truck Licencing System payment requirements.

It is a condition of Pro Line's CTS Licence (Section 6.4) that it be party to a valid Access Agreement. Without an Access Agreement, a licence holder is not eligible to enter the Licence Area (Section 6.3) and therefore cannot carry out Container Trucking Services. As Pro Line is no longer allowed to carry on business pursuant to the terms of the CTS Licence, CTS Licence No. 60084 cannot be reinstated.

In the result, this letter is notice that effective immediately, CTS Licence No. 60084 has been cancelled.

Finally, I note that Pro Line may request a reconsideration of the Commissioner's Decision by filing a Notice of Reconsideration with the Commissioner not more than 30 days after the company's receipt of this Decision Notice. A Notice of Reconsideration must be:

- a. made in writing;
- b. identify the decision for which a reconsideration is requested;
- c. state why the decision should be changed;
- d. state the outcome requested;
- e. include the name, an address for delivery, and telephone number of the applicant and, if the applicant is represented by counsel, include the full name, address for delivery and telephone number of the applicant's counsel; and
- f. signed by the applicant or the applicant's counsel.

This decision will be delivered to Pro Line and published on the Commissioner's website.

Yours truly,

OFFICE OF THE BC CONTAINER TRUCKING COMMISSIONER
