## Container Trucking Services Licence Tag Management Policy – June 2020

On March 5, 2020, the Office of the BC Container Trucking Commissioner (OBCCTC) issued a consultation report that summarized responses heard from stakeholders during consultation around proposed changes to the Tag Management Policy.

The consultation report outlined tag policy amendments which are reflected in the attached, new 2020 Tag Management Policy. The policy has been posted on the [OBCCTC website](#).

The 2020 Tag Management Policy will take effect on June 1, 2020. Please note, however, that **applications for additional truck tags will not be accepted** in advance of the upcoming licensing process.

Sincerely,
