Call for Submissions – Off-Dock Drayage Insights Report

The Office of the British Columbia Container Trucking Commissioner (OBCCTC) is seeking comments from stakeholders regarding the [Off-Dock Drayage Insights Report](#) prepared by Cascadia Partners.

The report was prepared to help better understand the flows of off-dock container movements in order to inform policies and decision making in order to improve fairness, stability, efficiency and competitiveness in the Vancouver Gateway.

The OBCCTC is now inviting stakeholders to share their written feedback regarding the report. In particular, the OBCCTC would like input with a specific focus on the following questions:

- What container movements should be regulated?;
- What rates should apply to those container movements?; and
- Options for enforcement.

Stakeholders are invited to share their written submissions by filling out the form on the OBCCTC website: <http://obcctc.ca/off-dock-comments>. The deadline to submit comments is October 31, 2020.

Following the comment period, the Commissioner will prepare a report providing recommendations that will balance the interests of the entire sector and ensure the industry's long-term success.

Sincerely,
