**CTS Licence Truck Tag Management Policy
Additional Independent Operator (I/O) Truck Tags Redistributed**

On May 5, 2021, the Office of the BC Container Trucking Commissioner (OBCCTC) issued a bulletin inviting applications for seven I/O truck tags that were available for redistribution after being returned to the OBCCTC. One additional I/O truck tag was returned to the OBCCTC during the application period and was added to the seven for a total of eight I/O truck tags available for redistribution.

The OBCCTC has now redistributed the eight vacant I/O truck tags to select licensees that submitted an application for additional I/O truck tags.

I/Os on the Commissioner's I/O list can contact the OBCCTC to inquire about which companies have vacant truck tags by emailing registrar@obcctc.ca.

Sincerely,

OFFICE OF THE BC CONTAINER TRUCKING COMMISSIONER
