**CTS Licence Truck Tag Management Policy
Additional Truck Tag Applications Process Update**

The Office of the BC Container Trucking Commissioner (“OBCCTC”) received 42 applications for additional truck tags during the call for applications. Over 250 truck tags were requested by applicants.

The OBCCTC has begun processing the applications, however given the volume of application materials, additional time will be required to process the applications.

The OBCCTC will notify applicants of the results once the applications have been processed.

Thank you for your patience.

Sincerely,

OFFICE OF THE BC CONTAINER TRUCKING COMMISSIONER

Michael Crawford
Commissioner
