RE: Addendum to 2023 Rate Review Consultation Report - Overtime Calculation for Independent Operators Response

Dear Mr. MacInnes,

Please accept this letter as our submission to the Addendum to 2023 Rate Review Consultation Report - Overtime Calculation for Independent Operators Response.

We have read and agree with the May 19th Port Transportation Association (PTA) submission, and would like it noted that our company proposes the same suggestions for I/O overtime as proposed in the PTA submission as we believe it will bring equality and positive changes to the industry.

Sincerely,

Amrik Sangha
