Subject: Overtime

Date: May 16, 2023 8:46:28 PM

I have read your suggestions regarding overtime for independent operators. It is very important to remember that io's also provide the same labour's that the company drivers provide.

Thus I agree io's also should get overtime after 9 hours. Work hours should be a minimum of 40 hours so that one can afford monthly expenses.

If any company doesn't pay for 40 hours start pulling tls from the end
