

OFFICE OF THE  
BRITISH COLUMBIA CONTAINER  
TRUCKING COMMISSIONER

## GLOSSARY

Please see the required field definitions as follows:

- **Company Name:** the legal name of the applicant company.
- **SCAC Code:** The Standard Carrier Alpha Code, a unique 4-character code used to identify transportation companies; this code is used to facilitate computerization in the transportation industry.
- **CRA Payroll Deduction Account:** a Business Number (BN) combined with a two-letter program identifier and a four-digit reference number, which for payroll is "RP." The full number is used for all payroll-related remittances and activities with the Canada Revenue Agency ([www.canada.ca/en/revenue-agency/services/tax/businesses/topics/payroll/open-manage-payroll-account/what-payroll-account.html](http://www.canada.ca/en/revenue-agency/services/tax/businesses/topics/payroll/open-manage-payroll-account/what-payroll-account.html)).
- **DBA is "Doing Business As":** A legal term used in Canada, meaning that the trade or brand name, under which the business or operation is conducted and presented, is not the legal name. If your company does not use a DBA, please indicate "N/A" on the applicable forms.
- **British Columbia Corporate Registration Number:** A unique number assigned to a corporation, business or society when registering with a participating agency. Corporations, businesses, or societies use this number to identify themselves when in contact with many federal, provincial or local government program.
- **The National Safety Code (NSC):** a set of national standards supported by provincial regulations. The program establishes management and performance requirements for commercial carriers. The NSC standards establish minimum safety standards for commercial vehicles and drive.
